Local Work Group and Producer Dinner

May 10th 2018 - 7PM

American Legion

595 Railroad Ave, Keenesburg, CO 80643

The Local Work Group will focus on identifying agricultural and natural resource issues existing in your community and providing information and feedback to direct NRCS programs.

Participants can be agricultural producers, owners of private agricultural lands, including nonindustrial private forest land, and representatives of agricultural organizations, environmental organizations, and governmental agencies carrying out environmental, agricultural, or natural resource conservation programs and activities. Any landowners within the three Districts are encouraged to attend. Please be sure to RSVP so we have dinner for everyone.
